## Your rendez-vous with greenery at the "CANOPEE" project in Uccle !

 **Clos Andrée Dumont 3, 1180 Ukkel**

The new apartment project "Les Promenades d'Uccle" is complemented by this beautifully atypical new building "CANOPEE." Victoire offers:

This beautiful 3-bedroom through-apartment with a terrace and garden is located at the front of the project – well-oriented to the SOUTH-WEST.

An entrance hall with guest toilet.

The living area is spacious and bright, featuring a fully equipped kitchen, slightly set back with access to the terrace, as well as the living and dining rooms, also with access to the terrace and garden.

The night area includes 3 bedrooms, with the master bedroom having a shower room, toilet, and single sink, a utility room, and a bathroom with two sinks and a bathtub. All three bedrooms have balconies and views of the forest.

This project will, of course, be designed with low energy consumption and a minimal ecological footprint. The finishes are elegant and understated, made from high-quality materials to provide maximum home comfort. As expected, the building will have an excellent energy performance certificate (EPC)!

Parking (mandatory and additional) and a bike room are available. A storage cellar is also provided for each unit. Sales are under registration rights for the land and under VAT for the construction.

This well-designed new neighborhood is peacefully immersed in a Natura 2000 area on the Kinsendael plateau, giving the feeling of living in the countryside!

Yet, you are only 7 minutes away from Fort Jaco or Vivier d'Oie.

## Characteristics
